

2019 FEDERAL POVERTY GUIDELINES CHART¹

The Department of Health & Human Services (HHS) issues poverty guidelines that are often referred to as the “federal poverty level” (FPL). Starting November 1, 2019, the Health Insurance Marketplace² will use the 2019 guidelines when making calculations for advance payments of the premium tax credit and income-based cost-sharing reductions for coverage year 2020.

Note that Medicaid and the Children’s Health Insurance Program assessments/determinations are currently based on the 2019 FPL from the HHS 2019 Poverty Guidelines until January or February 2020 when HHS releases the new guidelines for 2020.

The 2020 guidelines have not been released as of the date of publication of this training, but will be available on the HHS Assistant Secretary for Planning and Evaluation (ASPE) website (<http://aspe.hhs.gov/poverty-research>).
